ADSF8643PX4 PCB mechanical detail

Software interface for hole and slot parameters. The interface includes a preview window showing a hole with a diameter of 5 and a drill size of 3.2. The interface also includes options for "Pad Size Relative to Drill Size", "Plated", "Slot Parameters" (Slotted, Length, Orientation, Offset), and "Decal Units" (Mils, Metric).

Pad Size Relative to Drill Size:

Diameter: 5

Drill Size: 3.2 Plated

Slot Parameters: Slotted

Length: 0

Orientation: 0.000

Offset: 0

Decal Units: Mils Metric
